I authorize any holder of medical information about me to release to the Health Care Financing Administration and its agents any information needed to determine these benefits payable to related services.

I understand my signature requests that payment be made and authorizes release of medical information necessary to pay the claim. If item 9 of the HCFA 1500 claim form is completed, my signature authorizes releasing of the information to the insurer or agency shown. In Medicare assigned cases, the physician or supplier agrees to accept the charge determination of Medicare as the full charge, and the patient is responsible only for the deductible, coinsurance, and noncovered services.
